

YOGITA SAHU

📍 Chennai, Tamil Nadu, India 📞 +91-9329882341 ✉ yogitasahu2804@gmail.com

Yogita Sahu is an MCA student at SRM Institute of Science and Technology with hands-on experience building a full-stack web application using **HTML, CSS, JavaScript, PHP, and MySQL**, and a growing foundation in **Java and Data Structures & Algorithms**.

EDUCATION

SRM Institute of Science and Technology

2026 – Present

Master of Computer Applications (MCA)

Chennai, Tamil Nadu

- Relevant Coursework: Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, Object-Oriented Programming.

Rungta College of Science and Technology

Bachelor of Computer Applications (BCA) - 80%

PROJECTS

Expense Tracker | HTML, CSS, JavaScript, PHP, MySQL

- Developed a web application to manage daily income and expenses with secure user login and expense categorization.
- Designed and implemented a MySQL-backed system to store and manage transaction records.
- Applied Object-Oriented Programming and database design concepts from coursework to structure the application logic.
- Built a simple, responsive user interface for data entry and tracking.

TECHNICAL SKILLS

Programming Languages: Java, Python (Basic), C (Basic)

Web Technologies: HTML, CSS, JavaScript, PHP

Database: MySQL

Core Subjects: Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, OOPs

Tools: Git, GitHub (Learning), VS Code, Eclipse, Overleaf

Soft Skills: Problem Solving, Teamwork, Communication, Time Management

KEY STRENGTHS

Problem Solving: Comfortable breaking down problems and applying Data Structures & Algorithms concepts to reach efficient solutions.

Fast Learner: Picked up PHP and MySQL independently to complete the Expense Tracker project end-to-end.

Communication & Teamwork: Able to explain technical ideas clearly and collaborate effectively in academic project settings.

Time Management: Balances coursework, self-driven coding practice, and project development consistently.

CERTIFICATIONS

Full Stack Web Development

ACHIEVEMENTS

Completed BCA with 80%.

Built and deployed Expense Tracker, a full-stack web application with secure authentication and database-backed transaction management.

EXTRA CURRICULAR

Regularly practices coding and builds personal projects.

Interested in content creation and technology.

LANGUAGES

English, Hindi
